

Krushnat Salavi

MERN Stack Developer

krushnasalavi@gmail.com • +91 8459506455 • Kolhapur, Maharashtra, India • github.com/krushnatsalavi

PROFESSIONAL SUMMARY

BCA student and MERN Stack developer with hands-on experience building full-stack web applications using MongoDB, Express.js, React, and Node.js. Proven ability to deliver production-ready projects — including a JWT-secured eCommerce platform and a College Admission Portal. Interned as a Software Developer at Walstar Technologies. Actively seeking a junior developer role to contribute and grow in a collaborative, agile team.

TECHNICAL SKILLS

Frontend: React.js, HTML5, CSS3, Bootstrap, JavaScript (ES6+)

Backend: Node.js, Express.js, REST APIs, JWT Authentication, MVC Architecture

Database: MongoDB, Mongoose, SQL

Tools & DevOps: Git, GitHub, Postman, VS Code

Other: Python, WordPress, Responsive Design, Agile/Scrum

WORK EXPERIENCE

Frontend Developer Intern | [CodeWonders Tech LLP.](#) | Jan 2024 – Jun 2024

- Designed and deployed a College Admission Portal enabling students to register, submit applications, and upload documents online — eliminating manual paperwork and reducing administrative processing time.

Contact: info@codewonders.in

PERSONAL PROJECTS

E-Commerce Grocery Platform | Dec 2024 – Feb 2026

Stack: MongoDB, Express.js, React.js, Node.js (MERN), JWT, MVC

- Built a full-stack grocery eCommerce platform with real-time inventory tracking; automated stock deduction logic significantly reduced manual inventory errors.
- Implemented JWT-based authentication and role-based middleware to secure all API routes, protecting sensitive user and order data.
- Designed a scalable backend architecture following the MVC pattern, enabling clean separation of concerns and easier feature extensibility.

College Admission Portal | May 2025 – Jun 2025

Stack: HTML, CSS, Git, JavaScript

- Designed and deployed a College Admission Portal enabling students to register, submit applications, and upload documents online — eliminating manual paperwork and reducing administrative processing time.
 - Built responsive frontend using HTML, CSS, and Git-based version control; implemented real-time form validation for improved user experience.
-

EDUCATION

Bachelor of Computer Applications (BCA) | [Vivekananda College, Kolhapur](#) | *May 2023 – Present*

HSC (11th – 12th) | [Vivekananda College, Kolhapur](#) | *Jul 2021 – Feb 2023*

Score: 61.67%

CERTIFICATIONS & TRAINING

On-the-Job Training Certificate | [Vivekananda College](#) | *May 2025 – Jun 2025*

- Completed frontend development training covering HTML, CSS, Git, and responsive design principles; applied skills directly to the College Admission Portal project.
